

Fireblade™

FS & FSBT Sleeves

A range of 100% Kevlar® sleeves available in four different lengths providing heat and cut protection for wrists and arms.

The FS and FSBT range of sleeves are manufactured from 100% Kevlar®, double layered, with a unique stay-up band and thumb hole to ensure the sleeve stays in place. Available in 25cm (10"), 35cm (14"), 45cm (18") and 55cm (22") lengths the FS10BT (25cm length), FS14BT (35cm length) and FS18BT (45cm length) have a bar tack feature, preventing the sleeve rolling up the hand. All the sleeves are heat resistant to 100°C and are ideal for use wherever wrists and arms are exposed to heat and cut hazards.
